**HEIBERGER ANNOUNCES CANDIDACY FOR THE OHIO HOUSE 25<sup>TH</sup>  
DISTRICT SEAT**

(Columbus, OH) –Chris Heiberger today announced he has filed petitions and will run for the 25<sup>th</sup> District seat in the Ohio House of Representatives. Including the Hilltop communities in Columbus’ west side, where Heiberger has lived for more than 17 years, the district covers German Village, the Short North and parts of southwestern Franklin County. Although this is Heiberger’s first run for elected office, he has already received the endorsement of the Franklin County Republican Party.

“I’ve lived in this district all of my adult life, I’ve raised my family here and I’ve seen firsthand the struggles that our families and the businesses in this part of central Ohio deal with everyday,” Heiberger said. “Unemployment remains the highest we’ve seen in decades and people in this district want leadership at the Statehouse that will build on our economic strengths and reduce government’s burden on businesses and individuals so that we can attract jobs to Ohio and to this district.”

A graduate of The Ohio State University, Heiberger has spent the last 22 years in the health insurance industry. He currently works as an insurance wholesaler where he assists agents, individuals and families throughout Ohio find affordable health plans. It is this experience that has given him a greater understanding of the difficult choices many families and businesses make when it comes to healthcare. Heiberger also serves as the Treasurer of the Columbus Association of Health Underwriters.

“I am ready to hit the ground running. I’m eager to get out and share my experience and ideas on the issues that have been affecting our community such as jobs, education and healthcare,” Heiberger said.

A native of Columbus, Heiberger resides in the Hilltop with his wife Shana. He has two teenage children.

Paid for by Heiberger for Ohio House, Bill L. Curlis, Treasurer, 865 Macon Ave,  
Columbus, OH 43206
